

Harvest Christian Academy - Admission Policy

The process of enrollment at Harvest Christian Academy prior to final acceptance shall include, but is not limited to the following:

1. An H.C.A. evaluation is required
2. Parent/Student interview with the Academic Committee to determine if:
 - a. The parents desire a Christian education for their children.
 - b. Family beliefs and practices are consistent with the standards, doctrine, and values of the school.
 - c. The child, of JR/SR high school age, expresses a desire to attend Harvest Christian Academy and agrees to live in harmony with school standards.
 - d. Students with a history of severe behavioral problems have cleared their records with previous schools and now demonstrate a commitment for a changed lifestyle in both personal testimony and character references.

During the interview, the committee will provide a description of the school's activities and will answer any questions which arise, Classroom visits are permissible upon request and by prior agreement.

Parents seeking to enroll a student should provide the students academic information for both the current school year and previous school year, the admissions committee will use the information to assess the students academic aptitude and to identify possible problems. If there are indications of discipline problems, suspensions or repeated absences, contact with the student's previous school will be made for clarification. All students admitted to the school will be expected to perform at or above grade level. If the student has been enrolled in a special education program, the committee will contact the student's previous school to ascertain past conduct, academic progress, and long-term potential
